### Crunch into N.C. Fruits & Veggies

It's Fruits & Veggies—More Matters™ Month—a great time to enjoy all the fruits and veggies grown in our state. Through the N.C. Farm to School Program schools can buy apples, blueberries, broccoli, sweet potatoes, tomatoes and more to serve in school meals. Sign up now to participate in the N.C. Crunch next month, when students across the state will crunch into locally grown produce to celebrate Farm to School Month.

### Do You Walk to School?

Kids all over the world will walk, bike or roll in a wheel chair to school on Walk to School Day. Plan an event for your school. Here are some tips to help:

- Involve students of all abilities—kids who can walk, bike or use a wheel chair.
- Plan for kids who ride the bus to be dropped off 1-2 blocks away. The principal or a designated school official can walk/wheel students to school.
- Survey the route to school for safe walking, biking or wheeling.
- Host events on the school grounds if the route to school is unsafe or inaccessible.
