OCTOBER 2024

What We Learned

Art

students from K to 5th grade have been diving deep into the Element of Art: Line! From landscapes to abstract designs, every grade has been creatively exploring how lines can shape art in unique and expressive ways.

Drama

In Drama class, students from K to 5th grade have been exploring the Elements of Drama. They're learning about key components such as character, setting, conflict, and dialogue, while engaging in fun activities that help them express emotions, develop characters, and work together in storytelling.

P.E

In Physical Education, students are building their agility and coordination through Chasing and Dodging. These activities help them improve speed, reaction time, and spatial awareness while having fun and staying active!

Media

In Media class, students are learning how to navigate digital tools and develop critical thinking skills while exploring the world of technology. They've been working on fun, interactive projects that enhance their understanding of media literacy and creativity!

Reminders

- Please bring a **sketchbook** and **folder** for Art class.
- Don't forget to bring your **notebook** for Drama class.

Upcoming Events
